Covid-19 Blues

4B-16164

Called by
Stan Brooke

Open: Circle Left:

Got the Covid-19 blues, from my head down to my shoes

Left allemande, dosado, left allemande and weave the ring

I can't go out anymore, to see the people I adore, Promenade

I want to dance once more

I got the Covid-19 Blues

FIGURE:

Heads Square Thru you go now

With the corner dosado

Swing Thru tonight, the boy you run right

Half tag and scoot back you go, boys run right around that girl

Slide thru and the corner swing, promenade

I want to dance once more

I got the Covid-19 Blues

Break:Circle Left

When I go out and I sneeze, everyone around me flees

Left allemande, dosado, left allemande and weave the ring

Before you bring me to my knees, won't you go away please, Promenade

I want to dance once more

I got the Covid-19 Blues

Close: Circle Left

What I'd give if I could lose, these Covid-19 blues

Left allemande, dosado, left allemande and weave the ring

Now my face is really sore, from the mask that I wore, Promenade

I want to dance once more

I got the Covid-19 Blues

Tag: I just want to dance once more

I got the Covid-19 Blues
