

## My Old Man's A Dustman

7c-17

Called by  
David Cox

### OPENER

Join up hands, circle left around that ring you go  
Walk around your corner girl and see saw round your own  
Men star by the right one time around and then  
Find your corner, allemande left and weave around the ring  
My old man's a dustman, he wears a dustman's hat  
You swing your little honey-bun and promenade, take that  
He looks a proper nana in his great, big hob-nailed boots  
He's got such a job to pull them up that he calls them daisy roots

### FIGURE

1 & 3 promenade halfway round for me  
Walk right in and square thru 4 hands if you please  
Meet the outside two, swing thru and here we go  
Boys run right and ferris wheel around that ring you know  
In the center slide thru, pass the ocean, don't be slow  
Extend and swing that corner girl then promenade her home  
He looks a proper nana in his great, big hob-nailed boots  
He's got such a job to pull them up that he calls them daisy roots

### TAG

If you see a dustman looking glum and sad  
Don't kick him in the dustbin  
It might be my old dad
