

Build Me Up Buttercup

7c-23

Called by
David Cox

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
Build me up, buttercup, baby just to
Let me down and mess me around and then
Worst of all you never call baby when you
Say you will
The four ladies chain
I need you
You chain 'em back home
Take their hand, promenade from the start and
Build me up, buttercup
Don't break my heart

FIGURE

Heads square thru
"I'll be over at ten" you tell me time and again
Pass the ocean, recycle round the ring
You do a right & left thru and turn 'em you
Flutter wheel across and go
Slide thru, pass thru, a left allemande
Come back, swing and promenade the land
I'll be home, by the phone waiting for you

TAG

Four ladies chain across the ring
Build me up
You chain 'em back home
To my heart
