

SQUARE DANCE MUSIC

Called By: Doug Davis

Somewhere out In Texas (CK 273)

(Pop recording by Ray Price)

OPENER:

Sides Face Grand Square

The city lights gave me that rambling fever

And I went out alone to chase my dreams

Allemande Left and Weave

But in my sleep at night her face still haunts me

Swing and Promenade

And now I find my dreams are

Chasing me

BREAK - CLOSER:

Sides Face Grand Square

And tonight somewhere out in Texas

There dancing to a Bob Wills Song

Allemande and Weave

And my heart lies somewhere out in Texas

Swing your own and Promenade

And Texas is calling me

Home

FIGURE:

Heads/Sides Pass The Ocean and you Extend

Recycle, Veer Left and Turn a Quarter More

Couples Circulate one and Bend The Line

Pass The Ocean, Swing Thru, Turn Thru

Left Allemande and Promenade

And now I find my dreams are

Chasing me

TAG: Yes, Texas is calling me home
