## Too Much Month (CK 276)

(Pop recording by Billy Hill, Marty Stuart & others)

### OPENER: Side Face Grand Square

I paid the bank note, the car note , and yes I paid the phone bill too  
8 beat riff

And then I turned around and I found that the house note's due  
Left Allemande and you weave around the ring

Well I'd love to take you out like I said I would honey  
Swing your own and Promenade for the money

I love to take you out like I said I would honey

But there's too much month at the end of the money

### MIDDLE BREAK: Side Face Grand Square

Well I got a little favor I want to ask of you my love  
8 beat riff

Why don't you find that hole in my pocket and sew it up  
Left Allemande and you weave around the ring

I thought I'd save some, but you know it's funny  
Swing your own and Promenade for the money

I love to take you out like I said I would honey

But there's too much month at the end of the money

### CLOSER: Side Face Grand Square

I went down to the bank this morning about half past nine  
8 beat riff

Well, I was looking for a little something in the credit line  
Left Allemande and you weave around the ring

But the man said look here's what we got here sonny  
Swing your own and Promenade for the money

I love to take you out like I said I would honey

But there's too much month at the end of the money

### TAG: Side Face Grand Square

I'd like to take you out like I said I would honey  
But there's too much month at the end of the money  
I'd like to take you out like I said I would honey  
But there's too much month at the end of the money  
There's too much month at the end of the money

**FIGURE:**

Heads/Sides Lead Right, Veer Left and then  
Chain Down The Line you turn this girl  
Flutter Wheel across and then a Right and Left Thru you whirl  
Pass The Ocean here  
Spin Chain Thru boys work across that square  
Swing Corner and Promenade from there  
I'd like to take you out like I said I would honey  
But there's too much month at the end of the money
