Old Home Place

OPENER (Circle left)

*It's been ten long years since I left my home

**In the hollow where I was born.

You Walk Around your Corner, See Saw your own

Do a Left Allemande and you Weave

What have they done to the old home place?

Swing and Promenade (Why did they tear it down?)

And why did I leave the plow in the field

And look for a job in the town?

FIGURE

Heads Promenade, half way around,

Walk in and Square Thru count four,

Go all the way then a Right & Left Thru,

Veer Left and Couples Circulate,

Half Tag, Scoot Back, Scoot Back again,

Star Thru and then you Promenade

And why did I leave the plow in the field

And look for a job in the town?

ALT LYRICS

* I fell in love with a girl from the town.

**I thought that she would be true.

*Well my girl she ran off with somebody else

**The taverns took all my pay
