There Is No Christmas Like A Home Christmas

Opener/Break/Closer: (Grand Square)

There is no Christmas like a home Christmas, With your Dad and Mother, Sis an' Brother there.

With their hearts humming at your home comin', And that Merry Yuletide spirit in the air. All four Ladies Chain straight across, turn and Chain them home,

Roll Promenade you go, walking round you roam,

There is no Christmas like a home Christmas, For that's the time of year all roads lead home.

Figure:

Now the Heads Lead Right, and Circle to a Line,

Make a line, move Up to the middle and Back,

Then you Pass the Ocean there, Swing Thru from there,

Boys Run Right and do a Wheel & Deal,

You're gonna Square Thru now, three hands 'round, find your corner one,

Swing that corner round and round and Promenade for fun,

There is no Christmas like a home Christmas, For that's the time of year all roads lead home.
