Opener/Break/Closer: (Grand Square)  
No words could say, how I love you,  
No words could be as true. (Allemande Left & Weave)  
I've looked through books and Swing your girl Promenade her,  
(Read through dictionaries,)  
But I found no words for you.

Figure:  
All four couples Promenade Halfway,  
Head couples Square Thru go Four,  
All the way do a Right & Left Thru,  
Star Thru and Load The Boat,  
Well I'll admit there may be one or two,  
Now Swing your corner, Promenade,  
(That dance around in my head,)  
But words that talk about me and you,  
Are better felt than said.
