Opener/Break/Closer: (Grand Square)

It's gonna be the best Christmas of them all this year,
Everybody's gonna have a ball (Allemande Left & Weave),
Christmas trees are shining bright,
(*And the presents all around*)
Swing your partner, Promenade,
It's gonna be the best Christmas of them all.

Figure:

Heads Promenade go halfway 'round,
Down the middle and Square Thru 4,
Go all the way then a Right & Left Thru,
Veer Left and Ferris Wheel,
Centers Square Thru count 3 hands now,
Swing your corner Promenade,
They'll be traveling together, through all kinds of weather,
To make our Christmas bright.

Middle Break Lyrics:

Just wait and see when the snow falls on the ground,
Let there be peace in the world all around,
You will hear the music playing,
(*And everybody saying*)
It's gonna be the best Christmas of them all.
