

## **Rub-A-Dub-Dub**

CAR-2009

Called by Bill Roles

### **OPENER**

Allemande left like an allemande thar, right and left in time  
Men swing in with a back up star, back right down that line  
Shoot that star with a full turn, pull the partner by  
Allemande left with the corner girl, weave around that set  
Rub-a-dub-dub three men in a tub, lost on the ocean blue  
Swing your partner round and round, promenade her too  
Promenade with the pretty little maid, across the ocean blue  
Steal a kiss from the pretty little miss, take her home with you

### **FIGURE**

Head two couples square thru, four hands round you go  
Around that corner lady now, do a little dosado  
Swing thru tonight, boys run to the right  
Do a half tag, walk and dodge, partner trade and go  
Pass the ocean now, recycle around you go  
Swing that corner lady round and promenade that floor  
Rub-a-dub-dub three men in a tub, lost on the ocean blue  
I'll roll like a hub singin' rub-a-dub-dub  
She broke my heart in two

### **MIDDLE BREAK - CLOSER**

Sides face, grand square  
\*Once upon a time in a nursery rhyme, 3 little men got lost  
Like you and me they could not agree on which way they were tossed  
So I sang a tune when I got marooned with a love I can't forget  
The 3 little men they took me in on an ocean of regret  
Four little ladies promenade once inside that ring  
Go on back and swing your man, promenade that ring  
Promenade with the pretty little maid, across the ocean blue  
Steal a kiss from the pretty little miss, take her home with you

### **ALTERNATE LYRICS**

\*Well my heart is torn, and I can't see shore and I'm drifting far away  
From the love I had, I'm feeling mighty bad and I can't go on this way  
Won't you throw out a line and say you're mine and take me back again  
Cause my rudder's broke and it ain't no joke, won't you reach and pull me in

### **TAG**

Bow to the partner, corners too, that's it you're through
