

## **My Next Broken Heart**

CAR-2012

Called by Jim Jefferies

### **OPENER - CLOSER**

Heads face, grand square  
You picked me up, you shot me down  
Steppin' out all over town  
Drove me back to drinkin' in this bar  
Allemande left, weave the ring  
I found myself a brand new friend  
Dosado and promenade again  
I'm working on my next broken heart

### **FIGURE**

The heads square thru 4 hands you go  
Around the corner lady, dosado  
Spin chain thru, girls circulate 2 times and then turn thru  
Left allemande, you walk by one  
Swing the next and promenade for fun  
I'm working on my next broken heart

### **MIDDLE BREAK**

Sides face, grand square  
Well I thought all day long  
You'd be the death of me  
But I met one tonight who wants  
What's left of me  
Allemande left and weave  
She'll tear my world apart  
Dosado and promenade again  
I'm working on my next broken heart

### **TAG**

Swing her  
Oh-o-o-o I'm working on my next broken heart
