CAR-2015

Called by

### OPENER - MIDDLE BREAK - CLOSER

4 ladies chain across now  
Roll away, circle left  
4 ladies roll away, circle left and then  
Left allemande the corner, weave around my friend  
I need two good reasons, I've been thinkin' of  
Swing your girl around, promenade that ring  
Come on baby, it's so plain to see  
I need two good reasons, that's you and me

### FIGURE

Heads square thru 4 hands  
Around that corner, dosado  
Swing thru, spin that top for me  
Boys move up, right & left thru, don't stop  
Roll away a half sashay, touch 1/4, boys run right  
Swing that girl around, promenade that ring  
Come on baby, it's so plain to see  
I need two good reasons, that's you and me
