CAR-2028

Called by  
Harold Hailey

### OPENER

Circle left

All week long I've been looking forward  
To a hardwood floor and a country dance  
Left allemande, dosado with your partner  
Left allemande, weave that ring  
And dance! And dance!  
Get out on the floor and dance

### FIGURE

Heads promenade, go halfway around now  
Down the middle, right & left thru, turn with your girl  
Square thru, get me four hands around now  
Relay the deucey, go walking around  
Thank God it's finally Friday  
Swing that corner girl and all promenade  
I'm gonna find me a long tall cowgirl  
I'm gonna dance when the sun goes down

### MIDDLE BREAK - CLOSER

Sides face, grand square  
And dance! And dance!  
Get out on the floor and dance  
And dance! And dance!  
Left allemande, weave the ring  
And dance! And dance!  
Get out on the floor and 1-2-3-4-5-6-7-8  
Dance! And dance!  
Get out on the floor and dance
