

## **I'd Like To Be**

CAR-2033

Called by  
Jerry Routh

### **OPENER**

Sides face, grand square  
I'd like to be the picture on your mantle  
I'd like to be the window in your door  
I'd like to be the feather in your pillow  
Left allemande and weave around the floor  
I'd like to be the star outside your window  
Swing that girl and promenade tonight  
The coffee pot you warm up every morning  
I'd even like to be the apple that you bite

### **FIGURE**

Heads square thru go four hands  
Find the corner girl, dosado  
Swing thru, boy run right  
Couples circulate, chain down the line  
Pass the ocean, all eight circulate  
Swing your corner girl and promenade  
And when you're old enough to want to marry  
I'd like to be the one to steal your heart away

### **MIDDLE BREAK - CLOSER**

Four ladies chain across the ring  
Turn and chain that lady right back home  
Join hands, circle to the left now  
Left allemande and weave around the floor  
I'd like to be the star outside your window  
That lucky chair that holds you every night  
The coffee pot you warm up every morning  
I'd even like to be the apple that you bite

### **TAG**

I'd even like to be the apple that you bite
