

I'll Take Texas

CAR-2045

Called by
Mary "Mary" Castleberry

OPENER - CLOSER

Sides face, grand square

When that Texas moon is shining down on Austin

When it shines across the Rio Grande

Left allemande, weave the ring

When it comes to making love under the stars above

Honey, I'll take Texas every time

FIGURE

Heads (sides) square thru go 4 hands

Meet the sides (heads), make a right hand star

Heads (sides) star left, turn it one time you go

With the same two dosado

Swing thru and then the boys you trade

Swing the corner, promenade

Honey, I'll take Texas every time

MIDDLE BREAK

Sides face, grand square

We dance in every ballroom down in Beaumont

And we strolled the riverwalk in San Antone

Left allemande, weave the ring

It's where we fell in love like two young turtledoves

Honey, I'll take Texas every time

TAG

Circle left

Honey, I'll take Texas every time
