CAR-2039

Called by  
Mary "Mary" Castleberry

### OPENER

Circle left

What I'm looking for, is a love that's forever  
Someone who will..., left allemande, dosado  
Left allemande, weave the ring  
What I'm praying for  
Swing your girl, promenade her  
Is a friend and a lover who'll love me  
For the rest of my life

### FIGURE

Heads (sides) promenade, halfway around  
Come down the middle, pass the ocean, extend  
Swing thru, spin the top  
Without a stop do the right & left thru  
Flutter wheel, sweep 1/4 more  
Swing your corner, promenade  
I need a friend and a lover who'll love me  
For the rest of my life

### MIDDLE BREAK

Sides face, grand square  
Commitment, someone who'll go the distance  
I need somebody with staying power  
Who'll make me go weak in the knees  
Allemande left, weave the ring  
Commitment, swing your girl, promenade her  
I need honor and love in my life  
From somebody who's playing for keeps

### TAG

Circle left

I need honor and love in my life  
From somebody who's playing for keeps
