

Is It True

(What They Say About Dixie)

CLR-1001

Called by Wes Morris

OPENER - MIDDLE BREAK - CLOSER

Circle left

Is it true what they say about Dixie
Does the sun really shine all the time
Men star by the right go rollin' round tonight
Left allemande that corner, gonna weave the ring tonight
Is it true what they say about Swanee
Swing your own and promenade
Do they laugh, do they love
Like they say in every song
Is it true that's where I belong

FIGURE (twice for heads, twice for sides)

1 & 3 promenade travel halfway
Down the middle square thru 4 hands
4 hands and then swing thru my friend
Boys run to the right, you ferris wheel and go
Centers sweep 1/4, touch 1/4, walk & dodge
Swing the corner lady, promenade
Do they laugh, do they love
Like they say in every song
Is it true that's where I belong
