But I don't know enough about you

Left allemande you go, a dosado

Left allemande and weave the ring

**You've got me in a spin, oh what a spin I'm in

Swing your lady round and promenade

I know a little bit about a lot of things

But I don't know enough about you

Heads square thru you count 'em 4 hands round

You circle four and make a line

The lines go up and back and do the right & left thru

You flutter wheel in time

Star thru, pass thru, trade by and swing

Swing your corner maid and promenade

I know a little bit about a lot of things

But I don't know enough about you
