It's so nice to discover, you have found the perfect lover and that

Two hearts beat better than one

Walk around your corner, turn your partner left a dopaso

It's her by the left and corner right you know

Turn partner left an allemade thar, men swing in and star

Slip the clutch, left allemande,

Swing your own and promenade

Oh, it's so good to know for certain

That tonight you won't be hurtin' and that

Two hearts beat better than one

FIGURE

Heads (sides) promenade outside about halfway you travel

Into the middle with a flutter wheel you know

Sweep 1/4 more and now, double pass thru somehow, cloverleaf

Centers pass thru, right & left thru you turn her there

Veer to the left and then

Ladies trade, men run, swing the corner, promenade

Oh, it's so good to know for certain

That tonight you won't be hurtin' and that

Two hearts beat better than one

No more chasin' after rainbows, no more wishin' on a star

Swing your lady 'round and promenade from where you are
