

Two Hearts Beat Better Than One

CLR-1003

Vocal Called by
Mitchell Osawa and Kumi Takahashi

Opener : Circle

It's so nice to discover you have found a perfect lover
And that two hearts beat better than one
Walk around the corner, see saw your own,
left allemande, weave the ring
No more chasing after rainbows no more wishing on a star
No more lonely conversations with no one where you are
It's so good to know for certain that tonight you won't be hurting
Because two hearts beat better than one

Figure

Heads Box the Gnat and then you Slide Thru, All Slide Thru,
Reverse the Flutter Wheel, Dixie Style make a wave, Boys Trade,
Single Hinge and Walk and Dodge, Wheel Around, all Slide Thru,
Swing that corner and Promenade,
It's so good to know for certain that tonight you won't be hurting
Because two hearts beat better than one

Middle break : Circle

It's so nice to discover you have found a perfect lover
And that two hearts beat better than one
Walk around the corner, see saw your own
left allemande, weave the ring
No more sleeping in the cold bed no more playing solitaire
No more looking in the bed set to see if someone's there
It's so good to know for certain that tonight you won't be hurting
Because two hearts beat better than one

Closer

Four ladies chain, turn the girl and then,
Rollaway and circle round that ring,
Ladies rollaway, circle left and go,
Left allemande and weave around that ring
If you let love be your master then you will surely find
The love that you were after was right there all the time
It's so good to know for certain that tonight you won't be hurting
Because two hearts beat better than one
