

# I Don't Know What She Said

ESP 1106

Caller Elmer Sheffield Jr.

## OPENER

Circle left

\*No hablo Español

Was all I knew of the local lingo

Men star right, roll it once around

Left allemande and weave the ring go

When I checked into my motel room

Was helped by a brown eyed Señorita

She said buen venidos señor, blah, blah, blah, blah

Como esta, buenos dias

## FIGURE

Heads (sides) square thru and go

Round the corner dosado

Swing thru tonight, the boys run right

Bend the line, go up and now dosado

Girls hook left, fan the top, boys move up

Boys run and promenade that lady

I don't know what she said

But I sure like the way that she said it

## MIDDLE BREAK

Circle left

As I followed her down the hallway

I was trying my best not to stare

Men star right, roll it once around

Left allemande and weave the ring go

She winked and she smiled at me sweetly

Meet your girl, take her hand and promenade

Buy what-o and something like ho-ho

And I thought, oh baby whatever you say

## CLOSER

Circle left

Later that evening in a local cantina

A Mariachi band was playing

Men star right, roll it once around

Left allemande and weave the ring go

Now they say that Spanish is the language of love

I sure liked the way it rolled off her tongue

Well I don't know what she said when she said what she said

But I sure liked the way that she said it

## TAG

No I don't know what she said when she said what she said

But I sure liked the way that she said it
