ESP 1121

Caller Elmer Sheffield Jr.

## OPENER

Circle left

It happens every time I think about the reasons why  
I'm sittin' here alone at night and not with you  
Left allemande the corner, turn partner by the right  
Now the men star left around you do  
Turn partner by the right, left allemande  
Swing the little girl and then you  
Promenade around that land  
It's a long, long way from over you  
Don't think I've ever seen so many shades of blue

## FIGURE

Head two couples promenade halfway around  
Come down the middle, square thru 4  
Go all the way around now, swing thru tonight  
Boys run and the couples circulate  
Now half tag, trade, roll, look 'er in the eye  
Swing that corner girl and promenade, I'll tell you why  
They say that time will heal, don't know if I ever will  
It's a long, long way from over you

## MIDDLE BREAK

Head ladies in, teacup chain  
(Musical Interlude)

Four ladies promenade inside that old ring  
Swing that little girl and then promenade around the ring  
They say that time will heal, don't know if I ever will  
It's a long, long way from over you

## CLOSER

Head ladies in, teacup chain  
(Musical Interlude)

Four ladies promenade inside that old ring  
Swing that little girl and then promenade around the ring
