

## As long as you love me

OGR-48

Called By Steve Avery

### OPENER

Grand Square

Although loneliness has always been a friend of mine

I'm leavin' my life in your hands

People say I'm crazy and that I am blind

Risking it all in a glance (Allemande and weave)

I don't care who you are, Where you're from

Swing your girl around and Promenade

Who you are, Where you're from

Don't care what you did As long as you love me

### FIGURE

Heads Square Thru count 'em 4 hands round

Find that corner DoSiDo

Swing Thru then you'll Spin the top

Boys move up and do a right and left thru

Square thru 3, that corner you sing

Keep her and then promenade her home now

Who you are, Where you're from

Don't care what you did As long as you love me

### MIDDLE BREAK

Grand Square

And how you got me blind is still a mystery

I can't get you out of my head

Don't care what is written in your history

As long as you're here with me (Allemande and weave)

I don't care who you are, Where you're from

Swing your girl around and Promenade

Who you are, Where you're from

Don't care what you did As long as you love me

### CLOSER

Grand Square

Every little thing that you have said and done

Feels like it's deep within me

Doesn't really matter if you're on the run

It seems like we're meant to be (Allemande and weave)

I don't care who you are, Where you're from

Don't care what you did As long as you love me

Who you are, Where you're from

Don't care what you did As long as you love me
