## Heart Broke

Q-1819

Called By Romney Tannehill

### OPENER - MIDDLE BREAK - CLOSER

Circle left

\*Well who wouldn't notice the fire in your eyes

For the bitter direction of impending goodbyes

Left allemande, dosado

Men star left, turn thru

Left allemande, swing and promenade

You got your heart broke

Don't give up in believing in me

Heart broke

### FIGURE

Four ladies chain 3/4 around

Head couples promenade halfway around

Come down the middle and square thru four hands

Four hands around, do the right & left thru

C'mon and pass thru, trade by, left allemande

Swing your girl and promenade that land

And you got your heart broke

You go running from the reason

You got your heart broke

### ALTERNATE LYRICS

\*I'm falling, I'm folded, I'm well good

I'm well good in place at the sight of you

Standing with streaks down your face

\*But all is not lost, it is only mistaken

A small consolation, but I know just how it feels

### TAG

Swing 'em

You got your heart broke
