### Stay All Night

Q-1820

Called By Stan Brooke

#### OPENER

Sides face, grand square  
You ought to see my blue-eyed Sally  
She lives way down on Shinbone Alley  
The number on the gate and the number on the door  
The next house over is a greasy store  
Stay all night stay a little longer  
Dance all night dance a little longer  
Take off your coat, throw it in a corner  
Don't see why you don't stay a little longer

#### FIGURE

Head (side) two couples promenade it's 1/2 way  
Round there with your maid  
Down the middle with a right & left thru  
Turn a little girl, square thru and go  
All the way to the outside two  
Swing thru, it's two by two, boys run to the right  
And then ferris wheel to the middle and go  
Center two pass on thru  
Touch 1/4, scoot back go  
Swing the corner, promenade home

#### MIDDLE BREAK - CLOSER

Walk around the left hand lady  
Come on home a dopaso, partner left  
Corner by the right, back to partner  
Hang on tight, boys swing into the middle and star  
Back right up in an allemande thar, slip the clutch  
Left allemande, weave around the ring, my friend  
\*You can't go home if you're goin' by the mill  
The bridge washed out at the bottom of the hill  
Dosado when you meet your maid  
Take her by the hand and you promenade

#### ALTERNATE LYRICS

\*The big creek's up and the little creek's level  
Plow my corn with a double shovel
