She's A Heartache Looking For A Place To Happen

Q-1826

Called By Stan Brooke

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain straight across that ring
Turn that girl, you send them home
Dopaso, partner left, corner right
Partner left, full turn tonight
Head ladies center teacup chain
She's a heartache looking for a place to happen
Looking for a little action
Living for the moment, not for loving
She's a heartache looking for a place to happen
Temporary satisfaction
If you try to hold on she's gone

FIGURE

Head couples promenade, halfway around the ring
You square thru, four hands round
Four hands and then you swing thru and go
Boys you run right, you wheel and deal there
You square thru and go three hands, trade by
Swing that corner lady, promenade the ring
She's a heartache looking for a place to happen
Temporary satisfaction
If you try to hold on she's gone
