## Man In Love

Q-1831

Called By Stan Brooke

### OPENER - CLOSER

Sides face, grand square

\*You're always on my mind

You keep me feelin' fine

I celebrate each time I realize

You're really mine

I'm a man in love, yes I'm a man in love

Circle left around you go

I'm a man in love

Left allemande, you swing and promenade

I tell it everywhere I go, I want the whole world to know

That I'm a man in love

### FIGURE

Heads you promenade half around you go

You lead to the right, and there you're gonna do a dosado

Swing thru and go, boys run, bend the line and then

Go right & left thru, turn the girl

Square thru and go 4 hands

Swing the corner, promenade

I tell it everywhere I go, I want the whole world to know

That I'm a man in love

### MIDDLE BREAK

Circle left

I used to be so sad, like a dog without a bone

They you showed me something baby, I ain't ever known

I'm a man in love

Left allemande and weave

Yes I'm a man in love

Swing the lady, promenade

I tell it everywhere I go, I want the whole world to know

That I'm a man in love

### ALTERNATE LYRICS

\*I love to see you walk up and down the street

You look so pretty baby from your head down to your feet
