Fire In The Sky

Q-1840

Called By Bob Huff

OPENER - MIDDLE BREAK - CLOSER

Circle left

*There's a patch of southern green
It's the sweetest place these eyes have seen
Walk around the corner, seesaw your own
Allemande left, weave the ring
**I've got a woman on my mind
Swing your lady, promenade tonight
We're gonna let the sparks fall
Where they might, all right

FIGURE

Heads (sides) square thru 4 hands, dosado
Swing thru, boys run, bend the line
Right & left thru, flutter wheel, slide thru
Pass thru, left allemande
Come back and promenade tonight
We're gonna start a fire in the sky

ALTERNATE LYRICS

*I've got a woman on my mind
I haven't seen in a long, long time

**There's a love that we can share

**There's gonna be a fire in the sky
