Quadrille RECORDS

Fast Lanes And Country Roads

Q-1844

Called By Larry Jackson

OPENER
Circle left
There's an eight lane highway out in L.A.
It's headed nowhere
Left allemande you go, dosado you know
Left allemande and weave the ring
It's a life of mass confusion
Swing and promenade
I'm trading the fast lane for a country road

FIGURE
Heads (sides) promenade halfway
Sides do a right and left thru
Square thru, go 4 now
Dosado, do an eight chain 4
Let me get behind the wheel before I lose control
Swing and promenade her home
I'm trading the fast lane for a country road

MIDDLE BREAK
Circle left
There's a New York skyline, there's no sunshine
Down on Broadway
Left allemande you go, dosado you know
Left allemande and weave the ring
It's a 5th Avenue illusion
Swing and promenade
I'm trading the fast lane for a country road

CLOSER
Circle left
There's a desert sunset I haven't seen yet
Just out of Tucson
Left allemande you go, dosado you know
Left allemande and weave the ring
I'm gonna rise above the madness
Swing and promenade
I'm trading the fast lane for a country road

TAG
Swing her now
I'm trading the fast lane for a country road
