### Can't Have Nothin'

Q-1876

Called By Ken Burke

#### OPENER

Circle left

I must have woke up on the wrong side of the bed  
It's nine a.m. and I hear bells in my head  
Men star right and roll it one time around you go  
Left allemande and you weave  
It's late, my boss is going to hit the fan  
Swing your baby, promenade the land  
I try to crank my pickup, but she ain't runnin'  
Ahh, I can't have nothin'

#### FIGURE

Heads square thru 4 hands go  
All the way you do a dosado  
Swing thru, boys run right  
Half tag, scoot back around tonight  
Boys run right, slide thru, clap your hands  
Swing your corner, promenade the land  
I try to crank my pickup, but she ain't runnin'  
Man, I can't have nothin'

#### MIDDLE BREAK

Circle left

My baby calls and says how could you forget  
Three months exactly since the day that we met  
Men star right and roll it one time around you know  
Left allemande and you weave  
She says a night on the town will do  
Swing your baby, promenade her too  
I'd love to, honey, but my bank roll's busted  
Dial tone, I can't have nothin'

#### CLOSER

Circle left

I get to work, I'm only two hours late  
My boss is waitin' for me there at the gate  
Men star right and roll it one time around you know  
Left allemande and you weave  
Son, you just wasted your last chance  
Swing your baby, promenade the land  
Now he's given my position to his wife's first cousin  
Ahh, I can't have nothin'

#### TAG

I'd love to, honey, but my bank roll's busted  
Man, I can't have nothin'
