Your Love Is A Miracle

Q-1883

Called By Shane Greer

OPENER - MIDDLE BREAK - CLOSER

Circle left

*Out on the highway a lot of pretty girls go by

But none have been right

Left allemande that corner girl and do a do-si-do

Allemande left and you weave

Your love is a miracle

Swing the girl and promenade around the world

Your love is a miracle

Even to a heart that's blind like mine

FIGURE

Head couple promenade halfway around the ring

Come down the middle, pass the ocean, extend

Swing thru, boy run around the girl

Tag the line, face to the right

You wheel and deal, turn thru to the corner girl

Allemande left, new corner lady, promenade around the world

Your love is a miracle

Even to a heart that's blind like mine

*Out in the wild life a lot of people tellin' lies

Lookin' right in your eyes
