Called By Sam Lowe

## OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

Oh, oh, Carmen, I've had too much tequila

Between you and this Mexican moon, I'm gonna fall

Allemande left and weave the ring

El Paso lady

Swing your girl and promenade her

In a language I don't understand, you said it all

## FIGURE

Head couples promenade, you go halfway

Down the middle and square thru go 4

Four hands around and you swing thru, boys run right

All the couples circulate

Do a wheel & deal, then make a right hand star

Girls turn back, swing your corner, promenade her

\*I'll leave in the morning, but for now please let me in

## TAG

In a language I don't understand, you said it all

## ALTERNATE LYRICS

\*Without saying a word, you keep calling out my name
