Walkin' Heartache In Disguise

Q-1886

Called By Guy Adams

OPENER - CLOSER

Four ladies chain, turn your girl
You roll away, circle left around the world
Four ladies roll away, circle left and then
Allemande the corner, weave the ring
She's got a look of an angel in love
Swing your girl, promenade you know
You can't read her mind by lookin' in her eyes
She's a walkin' heartache in disguise

FIGURE

Head couples promenade, go halfway around
Down the middle, square thru go 4 hands around
Go all the way and then, do the right & left thru
Veer to the left, ferris wheel in time
Square thru 3 hands, find the corner lady, swing
Promenade, go walkin' round the ring
You can't read her mind by lookin' in her eyes
She's a walkin' heartache in disguise

MIDDLE BREAK

Circle left
She's nothin' more than a memory
In time I'm sure I'll forget
Men star right inside the ring for me
Allemande left and weave the ring
She'll outshine the stars on a moonlit night
Swing your girl, promenade tonight
You can't read her mind by lookin' in her eyes
She's a walkin' heartache in disguise
