We Bury The Hatchet

Q-1889

Called By Guy Adams

OPENER

Sides face grand square
Hey, all the neighbors' lights
Came on last night
Just like they do every time
We have a little fight
Left allemande and weave
It's getting to the point
Swing the girl and promenade
We're always fightin' about things
That should be dead and gone

FIGURE

Heads square thru four now
You make a right hand star
Heads star left inside
Corner dosado, touch 1/4 and then
Scoot back here, scoot back again
Swing and promenade
We bury the hatchet
But leave the handle stickin' out

MIDDLE BREAK - CLOSER

Sides face, grand square
*We bury the hatchet
But leave the handle stickin' way out
We're diggin' up things
We should forget about
Left allemande and weave
When it comes to forgivin'
Swing and promenade
We bury the hatchet
But leave the handle stickin' out

ALTERNATE LYRICS

* We got enough on each other
To wage a full scale war
If we could ever remember
What we were fightin' for

TAG

Swing your girl
We bury the hatchet
But leave the handle stickin' out
