City Lights

Q-1894

Called By Bob Huff

OPENER - MIDDLE BREAK - CLOSER

Circle left

* A bright array of city lights

As far as I can see

Left allemande, you do a dosado

Left allemande, weave the ring

Wind in and out and you meet your girl

Swing and promenade her tonight

It's just a place to run and hide

Behind those city lights

ALTERNATE LYRICS

* The world was dark and God made stars

To brighten up the nights

FIGURE

Heads (sides) promenade, go halfway

Sides (heads) do a right & left thru

Square thru 4 hands round you know

Eight chain 5 you go

The cabarets and honky tonks

Left allemande, promenade

It's just a place to lose yourself

In the glow of city lights

TAG

I just can't say I love you

To a string of city lights
