Dynamite

Q-1896

Called By Guy Adams

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

*I cooked your lunch in the kitchen

I washed the pots and mopped the floor

But I forgot to turn the stove off

If you wanna cook, please go next door

Circle left

Honey, I think you're dynamite

Left allemande, swing and promenade

The roses that I sent you

Are just a piece of what I owe

FIGURE

Head couples promenade go halfway

Walk in and square thru 4

Go all the way and then a right & left thru now

Veer to the left, ferris wheel once more

Square thru 3/4 round now

Swing the corner girl, promenade

The roses that I sent you

Are just a piece of what I owe

TAG

Honey, I think you're dynamite

ALTERNATE LYRICS

*I drove your car to the ball game

And I left the rag top down

The rain came fast

The game was called off

And your car had floated downtown

*Now you forgot all the bad things

And baby, please let me say

You're number one and I love you

And I lost my job today
