Hold Whatcha Got

Q-1898

Called By Richard Lane

OPENER

Four ladies promenade, walkin' once around that ring
Run on back and swing there with your man
Join hands and circle left, walkin' round the ring he said
Left allemande with the corner and weave the ring
Hold whatcha got, I'm comin' home baby
Hold whatcha got and I don't mean maybe
Swing your girl and all will promenade
Don't sell the house, don't wreck the car
Just stay there baby, right where you are
If you hold whatcha got, I'm comin' home to stay

FIGURE

Head couples promenade, walk halfway round with your maid
Down the middle and here's a full square thru
Go all the way and when you're there
You get a right & left thru that outside pair
Veer left and here's a ferris wheel
Square thru and pull out three
Corner girl you're gonna swing for me
Take her by the hand, all promenade
Don't sell the house, don't wreck the car
Just stay there baby, right where you are
If you hold whatcha got, I'm comin' home to stay

MIDDLE BREAK - CLOSER

Sides face, grand square
*In my mind I can see it's a pretty good sign that I need ya
That's why I can't wait to get back home
So squeeze yourself real good and tight and I'll be there before daylight
Hold whatcha got, I'm comin' home to stay
Four boys promenade, walk around the ring I said
Run back, swing and promenade
Don't sell the house, don't wreck the car
Just stay there baby, right where you are
If you hold whatcha got, I'm comin' home to stay

TAG

If you hold whatcha got, I'm comin' home to stay

*When I get back, honey I ain't leavin'
Been a little too lonely, a little too much grievin'
When I get back homey this time I'm gonna stay
We won't fuss and we won't fight
This time things are gonna be all right
If you hold whatcha got, I'm comin' home to stay
