SUN-2009

Called By

## OPENER

Circle Left

Had my golf clubs on my shoulder, when you saw me first today  
Wearin' my old (\*Army) sweater, that you thought you threw away  
Men Star Right, once around and then  
Allemande Left, Weave around the Ring  
Your man, loves you honey  
Swing your lady, Promenade I say  
Your man, loves you honey, but you can't change my ways

\*Option: Change the sweater to Navy or Air Force as appropriate.

## FIGURE

Heads Square Thru 4 hands you do  
All the way and then, Spin Chain Thru  
Girls Circulate 2 Times around, all the way and now  
Spin Chain Thru again  
Boys Circulate 2 Times, all the way and then  
Swing your corner, Promenade my friend  
Your man, loves you honey, but you can't change my ways

## MIDDLE BREAK

Circle Left

Now before you say you're angry, you remember what I did  
Went to church with you last Sunday, took your Mother and the kids  
Men Star Right, once around and then  
Allemande Left, Weave around the Ring  
Your man, loves you honey  
Swing your lady, Promenade I say  
Your man, loves you honey, but you can't change my ways

## CLOSER

Circle Left

Oh you should have had a knight in armour, and a castle fair  
Not some restless cowboy, faded jeans and shaggy hair  
Men Star Right, once around and then  
Allemande Left, Weave around the Ring  
Your man, loves you honey  
And I don't know what else to say  
Your man, loves you honey, but you can't change my ways

## TAG

But you can't change my ways
