

# Let Me Entertain You

Double M 205

Sharon Baldwin

From the musical "Gypsy" (1959)

## **Opener/Closer:** (Sides Face Grand Square)

Let me entertain you

Let me make you smile

Let me do a few tricks - Some old and then some new tricks

I'm very versatile (Allemande Left & Weave)

And if you're real good - I'll make you feel good

Swing your girl – and Promenade the ring

So let me entertain you

And we'll have a real good time

## **Figure:**

Heads Square Thru count me four now

Around the corner lady – Dosado

Swing Thru and then – the Boys Run to the Right

Ferris Wheel into the middle and then – Pass Thru

You Touch one Quarter - Scoot Back there now

Swing your Corner – Promenade the ring

So let me entertain you

And we'll have a real good time

## **Break:**

Four Ladies Chain straight across now

Turn and Chain 'em right back Home again

Join hands and Circle to the Left go walking 'round

Allemande Left that corner Weave the Ring

You wind it in and out now until you meet again now

Swing your girl and Promenade the ring

So let me entertain you

And we'll have a real good time

## **Tag:**

We'll have a real good time

## **Song Lyrics:**

Let me entertain you  
Let me make you smile  
Let me do a few tricks - Some old and then some new tricks  
I'm very versatile  
And if you're real good - I'll make you feel good  
I'd want your spirit to climb  
So let me entertain you  
We'll have a real good time,

Yes sir!  
We'll have...  
A real good time!
