## If You Came Back From Heaven

### **Opener/Break:** (Sides Face Grand Square)

If you came back from heaven,  
Would it be like it was then,  
Could we just pick up - where we left off,  
And try it all again, (Allemande and Weave)  
If you came back from heaven,  
Now you Swing and Promenade,  
And I hope God knows if he let you go,  
I'd never send you back.

### **Figure:**

Now the Heads/Sides Square count four hands,  
Around that corner Dosado,  
Swing Thru and the Boys Run,  
Bend the Line - Right & Left Thru,  
You Flutterwheel and Slide Thru,  
Swing your corner – Promenade,  
Would I bust right out with laughter,  
Or break right down and cry.

### **Closer (Key Change):** (Sides Face Grand Square)

Oh, if you came back from heaven,  
Would it be like it was then,  
Could we just pick up - where we left off,  
And try it all again (Allemande and Weave)  
Oh, if you came back from heaven,  
Now you Swing and Promenade .. (hold one extra measure)  
And I hope God knows if he let you go,  
I'd never send you back, (Allemande and Swing)  
And I hope God knows if he let you go,  
I'd ne-ver send you back.

## **If You Came Back From Heaven Sing-A-Long**

Lorrie Morgan/Richard Landis (1994) – War Paint Album

### **Verse 1:**

I wouldn't know what to say,  
I wouldn't know what to do,  
If you came back from heaven,  
And I could look at you.  
Would I fumble for the words?  
Would I be a little shy?  
Would I bust right out with laughter?  
Or break right down and cry?

### **Chorus:**

Oh, if you came back from heaven  
Would it be like it was then?  
Could we just pick up, where we left off  
And try it all again?  
Oh, if you came back from heaven  
It would freeze me in my tracks.  
And I hope God knows if he let you go  
I'd never send you back.

### **Verse 2:**

Do your kisses feel the same?  
Do you still have the same touch?  
And will you whisper softly,  
'Cause you've missed me so much?  
Have you heard all my prayers  
When I lay down at night?  
And did you feel my body  
When I held your pillow tight?

### **Chorus:**

Oh, if you came back from heaven  
Would it be like it was then?  
Could we just pick up, where we left off  
And try it all again?  
Oh, if you came back from heaven  
It would freeze me in my tracks.  
And I hope God knows if he let you go  
I'd never send you back.

### **Bridge:**

And if, God forbid, you leave this earth again while I see  
I hope he knows if you go you'll be bringing me.

### **Chorus:**

Oh, if you came back from heaven  
Would it be like it was then?  
Could we just pick up, where we left off  
And try it all again?

Oh, if you came back from heaven  
It would freeze me in my tracks.  
And I hope God knows if he let you go  
I'd never send you back.

**Coda:**

I hope God knows if he let you go  
I'd never send you back.
