Opener/Break/Closer: (Circle Left)

\* We're on Easy Street, and it feels so sweet  
'Cause the world is but a treat when you're on Easy Street  
The Men Star Right, one time tonight  
Left Allemande the corner now you Weave the Ring,  
Our moment in the sun, it's only just begun,  
You Swing for me, Promenade and you will see why you should be  
On Easy Street, got a front row seat  
A life that can't be beat right here on Easy Street

Figure:

The Heads Square Thru, four hands you do  
Go all the way around and do a Dosado  
Now Swing Thru there, the Boys Run Right  
You Tag the Line go all the way and then Face Left  
Ferris Wheel, Centers Pass Thru  
Swing Corner 'round, Promenade and you will see why you should be  
On Easy Street, got a front row seat  
A life that can't be beat right here on Easy Street

Tag:

Left Allemande come back and then you Swing your own  
A life that can't be beat right here on Easy Street

Additional Lyrics:

\* Breaking out champagne, we're on the gravy train  
When we sing the sweet refrain repeats on easy street
