### **Opener: (Grand Square)**

When I heard you playing now you stole my heart away  
Now you don't even notice me so I just have to say now  
Blue Finger Lou my woogie wants to boogie with you  
(Allemande and Weave)  
I know you carry on some here and then you're gone  
Swing and Promenade all night long  
Blue Finger Lou my woogie wants to boogie with you

### **Figure:**

Well now the Heads you Promenade travel halfway around  
Down the middle Square Thru count me 4 hands 'round,  
Swing through the outside two boys run right  
And ferris wheel now the centers sweep one quarter  
Same four lead right swing the corner girl and promenade tonight  
Blue Finger Lou my woogie wants to boogie with you

### **Break/Closer: (Grand Square)**
