I'm a Stand By My Woman Man

PCD-6038

OPENER, MIDDLE BREAK

All four ladies chain 3/4 'round.

Hey! Rollaway and Circle Left.

She knows where I'll be when the sun goes down.

Allemande Left the corner, Weave the Ring.

When she's down she knows I'll be beside her.

Swing a little girl and you promenade her home.*

Our love keeps getting better and I'll gladly spend forever,

With a woman who stands by her man.

FIGURE

Heads Box the Gnat, and then you Slide Thru.

Spin Chain Thru with the pair you've found.

The girls Circulate, go two times around.

When you're through, the boys Run Right, Bend the Line, Pass Thru.

Tag the Line all the way thru and Cloverleaf, Zoom now.

Swing the corner girl and Promenade

We fall asleep at night thinking, ain't love grand.

I'm a stand my woman man.

CLOSER

CircleLeft. I'm a stand by my woman man.

Our world turns around a little gold band,

And love leads us through life, hand in hand.

Allemande Left your corner, run home you Do-Sa-Do.

Men Star by the Left one time around.

Turn your partner by the Right and go Left Allemande.

Swing your own and Promenade.

Our love keeps getting better and I'll gladly spend forever.

With a woman who stands by her man.

TAG

I'm a stand my woman man.

ALTERNATE WORDS

*Cause I'm not just her lover, I'm her friend.
