Just because your teeth are pearly

You do an Allemande Left your Corner – walk back a Dosado

The men star left – you better hurrerry now

Turn thru at home and then you go Left Allemande

Swing your girl around and then you promenade

Just because you're always handy, always feeling fine and dandy

You can make the whole world shine

Figure

Heads Pass Thru, Separate around Two

Hook on the end, make a line, Pass the Ocean now

Swing Thru and then Girls Trade, Girls Run

Tag the Line – you Cloverleaf and go

Men Single Circle, make a wave, Extend

Swing your corner girl and promenade that ring

Just because you're always handy, always feeling fine and dandy

You can make the whole world shine
