

A Perfect Match

CD-205

Called by Gil Crosby

OPENER - MIDDLE BREAK - CLOSER

Circle left

*I look across my morning cup of coffee
And see an angel smiling back at me
Allemande that corner, turn a right hand round your own
Men star by the left and turn it one time and go
Turn thru at home, the corner allemande
Swing your own and promenade
Like two love birds on the eggs of happiness
Knowing they're gonna hatch
You and me, together, we're a perfect match

FIGURE

Heads lead to the right and there you circle
Make a line, move into the middle and back, pass thru
Wheel & deal and now centers swing thru my friend
Turn thru and go left allemande
Dosado around your own, go back to the corner, swing
Swing that corner, promenade
Like two love birds on the eggs of happiness
Knowing they're gonna hatch
You and me, together, we're a perfect match

ALTERNATE LYRICS

*You know just what I need and when I need it
With you contentment wasn't hard to find

*Sometimes I think if we could start all over
I'll bet we wouldn't want a change a thing
