

Mexican Love Song

CD-212

Called by
James Martin

OPENER - MIDDLE BREAK - CLOSER

4 ladies promenade the inside
At home swing and whirl your man
You're gonna promenade your honey 'round
Don't slow down a bit
Boys roll back and allemande left
You'll weave around that ring
And they all played all those Mexican love songs
Swing and you promenade
And the moment my heart heard the music
I knew that the night was made for love

FIGURE

Head (side) couples promenade, go 1/2 way
Walk in and square thru you know
4 hands around, a right and left thru there
Let's veer to the left and the couples circulate
Ladies trade, bend the line
Square thru 3 hands now
Swing and you promenade
And the moment my heart heard the music
I knew that the night was made for love

TAG

I knew that the night was made for love
