CD-225

Called by  
Steve Kopman

### OPENER - MIDDLE BREAK - CLOSER

4 ladies promenade once around that ring  
Get back, swing your man, everybody swing  
Join hands, circle to the left around you go  
Allemande the corner of the hall, weave around you know  
Ride the train, ride the train  
Dosado and promenade I say  
Sleepin' in a boxcar when it rains  
Ride the train, ride the train

### FIGURE

Head couples promenade halfway around you go  
Come down the middle, pass the ocean there you know  
Extend your tag, swing thru, the boys will trade  
Boys will run, bend that line, go up and back that way  
Square thru 3/4 round and swing  
Swing the corner, promenade I say  
Sleepin' in a boxcar when it rains  
Ride the train, ride the train

### TAG

Ride the train, ride the train  
C'mon, get on the train
