## **OPENER - MIDDLE BREAK - CLOSER**

Circle left

Let this be my prayer when I wake up  
I hope that you'll be mine another day  
Left allemande that corner, come home dosado  
Men star left around that way  
Turn the partner right, that corner allemande  
Swing that girl and promenade  
We belong together and a million years from now  
I'll keep on loving you the same old way

## **FIGURE (twice heads, twice sides)**

Heads square thru count 'em 4  
Dosado the corner girl, touch 1/4 then  
Do a walk and dodge my friend  
Partner trade and do the right & left thru  
Flutter wheel full around, pass thru,  
partner trade & roll  
Swing that girl and promenade  
We belong together and a million years from now  
I'll keep on loving you the same old way

## **TAG**

I'll keep on loving you the same old way
