CD-227

Called by

OPENER - MIDDLE BREAK - CLOSER

Circle

I know there's nothing worse than a bad goodbye
Allemande the corner, dosado,
Left allemande, weave the ring
But save those tears for tomorrow
Swing and promenade by two's
It's a beautiful night, don't waste it on the blues

FIGURE

Heads (sides) square thru 4 hands you go
Dosado the corner one time you know
Swing thru tonight, boys run right
Bend the line, move up to the middle and then
Touch 1/4, cast right 3/4, fan the top
Swing and promenade by two's
*There's a moon out tonight, don't waste it on the blues

TAG

Swing 'em now
Don't waste it on the blues
