*It's Christmas time I see the lines of people everywhere
**Trying to pick out the gifts that show how much we care
Allemande the corner come home a dosado
Left allemande come on and weave the ring you know
It's a Merry Christmas straight to you
Swing that girl around and promenade her too
It's not much but I hope to touch the people dancing here
Have a Merry Christmas this year

FIGURE

Head two couples promenade it's half around you go
Down the middle, square thru 4 hands you know
Go all the way, do the right & left thru and then
Pass thru, trade by, swing thru my friend
Spin the top, when you meet her slide thru
Swing that corner girl and promenade her too
It's not much but I hope to touch the people dancing here
Have a Merry Christmas this year
